On Site Roll-Forming

Chop N' Drop

For Roof Panels:

Chop N' Drops are advantageous to contractors because of the customization and timing available. When we come to your site, we are able to roll form longer panels as well as cut them to size. No more waiting for an order to come in; if your framing is done, we can be there the next day!

Available in these panels:

RMS-SL150

RMS-MS150

RMS-CS100

RMS-SLN150

RMS-SW85

Panel Curving/Radius

Panel curving is only available for RMS-MS100, RMS-MS150, and RMS-CS100. Lengths can be customized according to job requirements and on-site radius is available as a Chop N' Drop.
